

CBC Allergen Policy

The following allergen Policy of The Cardboard Box Company Ltd must be adhered to by all personnel (including staff, visitors, and contractors)

The objective of this policy is to ensure that any allergenic foodstuffs are suitably controlled on site. The UK allergen list comprises: -

- Cereals containing gluten, namely: wheat (such as spelt and Khorasan wheat), rye, barley, oats
- Crustaceans for example prawns, crabs, lobster, crayfish
- Eggs
- Fish
- Peanuts
- Soybeans
- Milk (including lactose)
- Nuts; namely almonds, hazelnuts, walnuts, cashews, pecan nuts, Brazil nuts, pistachio nuts, macadamia (or Queensland) nuts
- Celery (including celeriac)
- Mustard
- Sesame
- Sulphur dioxide/sulphites, where added and at a level above 10mg/kg or 10mg/L in the finished product. This can be used as a preservative in dried fruit
- Lupin, which includes lupin seeds and flour and can be found in types of bread, pastries, and pasta
- Molluscs like, mussels, whelks, oysters, snails, and squid

If any of the above are brought onto site for personal consumption, these foodstuffs must be stored appropriately in the canteen or kitchen and under no circumstances be brought into the production, storage or packing areas. They must be consumed only in the canteen and after consumption any packaging containing these foodstuffs must be placed in the appropriate waste containers and must not be left lying on tables, chairs, or any other surface. If any employee is found with any of these foodstuffs in any of these areas, they will be subject to disciplinary procedures.
